COACHBUILDER INFORMATION UPDATE

Date: July 11, 2012
Bulletin Number: XTS 02
Subject: CMC Converter Guidelines Manual

Enclosed you'll find a DRAFT copy of the CMC Converter Guidelines Manual. As in the past, this Manual will serve as a guide of conversion recommendations for Cadillac Professional Vehicle models W30 Short Stretch Sedan, V4U Limousine, and B9Q Funeral Coach. A FINAL version of the Manual will be produced after the PV chassis are released.

Please make special note of FMVSS #126 for stability control as there have been several changes in the federal mandate.

If you have any questions or concerns, call Joe Pennington at (248) 808-0854.
